WILL NOT RECOGNIZE SOVIET RUSS

U. S. Position To Direct Opposition To Efforts Of Lloyd George

SALIENT POINTS OF U. S. NOTE

WASHINGTON, Aug. 11.—The policy of the United States with regard to Russia and Poland, as set forth in the note of this government to the Italian ambassador, comprises the following salient points:

The U. S. is determined that the independence of Poland shall be maintained.

The U. S. is of the opinion that Bolshevism must be "attacked by friendship" instead of by antagonizing the Russian nation.

The U. S. is pro-Russian and anti-Bolshevik.

The U. S. is unalterably opposed to the dismemberment of the Russian nation.

The U. S. cannot contemplate any dealings with the soviet government of Russia.

U. S. DRY AGENTS UNCOVER LIQUOR SCANDAL IN ARRESTS

CONSTABLES GATHERED IN FORGRAFTING

Dan Malloy and Herman Nyhoff of Gary Held Under \$10,000 Bonds

GARY, Ind., Aug. 11.—The new feature of the registration law has lifted a burden from the workers of the political parties.

Under the 1919 registration law every voter was compelled to appear in person at the precinct registration place on Sept. 4 or Oct. 4 and register. Of course there were certain provisions to enable absentees and persons who were ill to register, but the means provided were cumbersome.

The registration law was made liberal in its application by the special session of the legislature, which threw in a clause providing that registrations may be made on blanks which can be turned over to the registration boards on either of the days they are in session.

The result of this was to enable the general distribution of blanks to all voters with the result that the sessions of the registration boards will resolve themselves into a receiving day for applications.

Both the republican and democratic state organizations have taken the precaution of adding additional blanks printed and distributed to county chairmen. These will be placed in the hands of precinct workers at once. The laws provide that the registration applications must be signed, or attested, by two voters of the precinct in which the registrant resides. In the case of a person absent from the precinct it will be merely necessary to go before a notary and swear to the truth of the statements.

In some of the counties these blanks are now being freely made out. Any voter may leave his blank in care of any other voter of the precinct who will deliver it to the registration place, or the registrant may mail it to the county auditor, who is charged under the law to deliver it to the proper registration board.

The state board of election commissioners will distribute a pamphlet this month setting out all the rules and regulations governing the registration days. The above explanations will be dealt with in the publication.

SIX GARY HORSES FOR TROTTING MEET

After Four of "Gas Belt" Shipped to Crown Point

CROWN POINT, IND., Aug. 11.—Secretary Fred Y. Wheeler of the Lake County Trotting Association, who has handled every race meeting held on the Crown Point track in the past twenty-five years, reports today that six Gary horses, owned by Bothwell and Williams and driven by N. D. Edwards and F. E. Williams, are the first entries for the big meeting to be held at Crown Point on August 25, 26 and 27.

The Gary horses entered are Sadie May, bay mare by Frankfort, in the 3:00 and 3:10 paces; Queen Jolie, brown mare by Ben Jolie, in the 2:24 and 2:30 trots; Lady C. gray mare by Bobby Burns in the 2:19 and 2:17 paces; Baby Doll bay mare by Onite, in the 2:18 and 2:21 trots; Willow Brook, bay mare by Mitre Barrer, in the fast trots and Jerry D., a brown horse in the 2:18 and 2:21 paces.

These horses trained on the local track this spring and will arrive in Crown Point a week after next, after a very successful campaign in the "gas belt circuit."

The bulk of the entries for the meeting, Wheeler says, will be received about closing time, set for 10 o'clock Saturday, August 31. The meeting promises to be the best ever held on the Crown Point track, and what is now troubling the officials of the Lake County Association the most is the fear and it is well grounded, of a shortage of stable room.

FEDERAL SUFFRAGE IS UNCERTAIN

Will Hayes Urges Immediate Action By State Legislature

NASHVILLE, TENN., Aug. 11.—The first test vote in the house on ratification of the federal suffrage amendment was a vote of 50 to 37. The house then adjourned to 2 p. m.

The vote came on a motion to table a resolution offered by anti-suffrage leaders which sought to hold up action by the legislature until mass meetings could be held in every county of the state and their verdict on ratification returned to the legislature.

Following a conference here with Senator Warren G. Harding, republican nominee for president, Chairman Hayes addressed a long communication urging "immediate action" by the legislature on a measure simple justice to American women.

Asserting that "the present unrest is in a large measure due to the fact that so many vital questions are clamoring for simultaneous decision," Hayes declared that one of these was the federal suffrage question, and he settled immediately by the Tennessee legislature.

BY G. F. MILLON
(STAFF CORRESPONDENT, N. S. SERVICE)
NASHVILLE, TENN., Aug. 11.—The fate of the federal suffrage amendment in the Tennessee legislature is now officially in the hands of the Tennessee legislature, which has never been as uncertain as it is this morning. An effort will be made today in the senate to pass a resolution requesting all workers for and against suffrage from outside the state to fold up their tents and leave and let the legislature settle the question without outside influence.

OPPOSED TO RATIFICATION
The resolution will be introduced in the senate by Senator Lon McFarland who voted for partial suffrage, but is opposed to ratification because of constitutional objections. It is aimed largely at workers of the national women's party, the organization which picked the White House, although it will, if passed, dispose of a strong anti-suffrage lobby as well.

CHANGES HIS VIEWS
McFarland's resolution is largely the outcome of an incident Tuesday morning between Speaker Seth Walker of the house and Miss Betty Gram, of Oregon, a militant leader. Walker had been content to let the women of the state, but according to Miss Gram on Monday, told her he had changed his views. At any rate, after she queried him Tuesday morning, his opposition to suffrage became pronounced and largely at workers of the national women's party, the organization which picked the White House, although it will, if passed, dispose of a strong anti-suffrage lobby as well.

MARRIED 29 YEARS: ASKS DIVORCE

Twenty-nine years of quarreling with her husband came to an end Oct. 9, 1918, when Mrs. Anna Miller and Adolph Miller separated.

The complaint which was filed today by Attorney Ibach Gavitt & Sullivan, recites numerous incidents which happened back in the days when men were spending their wages in saloons and neglecting their families. Mr. and Mrs. Miller were married at Michigan City, April 14, 1889, and have reared six children four of whom are now of age.

The woman says her husband, who now lives in West Hammond, was drinking almost continuously. He would return home late at night and force her to prepare supper even though it were past midnight. While drunk he would quarrel continuously with her and the children. On one occasion as she was doing the family washing in the laundry, he came and tried to open an argument. She started upstairs to escape him and he struck her with the coal shovel. Another time he hit her with a shoe. Her whole life since marriage has been full of quarrels, she says.

Adolph would refuse to pay his grocery bills, would not work and one time when she mentioned the old accounts he became angry, went away and was gone for months. Mrs. Miller's children are all old enough now to take care of themselves so she is asking for the divorce.

"CO-OP" PROMOTER
SUED FOR BREACH OF CONTRACT
CROWN POINT, IND., Aug. 11.—The fact that Miss Williams of this city, through the efforts of a committee organized by the Co-operative State Exchange in Crown Point for breach of contract, the plaintiff alleges that he contracted with Miss Musselman for \$500 worth of paid up memberships in the Co-operative State Exchange in Crown Point, which she had agreed to deliver to him in the deal. Miss Williams, a salesman in interest in lots 1 and 2 in Young's Addition to Crown Point, valued at \$3,000, and says Miss Musselman failed to deliver the membership and brings the suit as a result.

HE COULD SHOW SPEED
WHEN HE HAD TO
"I'll give you two hours to get out of town," said the judge this morning to Jim Thomas, colored, of Riverdale, California, when Jim was brought up in the Hammond police court charged with train riding. He was caught in the Erie yards.

Jim accepted the sentence and bailiff James Tread led him to the front door of the police station.

"How long will it take you to get out of town?" asked the bailiff.

"An hour and ten minutes in eighteen minutes if I have to," said Jim. "Which way is the closest?"

I. Harbor Merchants Not There

Indiana Harbor's clamor for more police protection seems suddenly to have died out.

The meeting called to be held at the Civic Club rooms last night to consider the matter was completely ignored by business men who a week ago were railing against the inadequate police force.

Secretary A. C. Burgen, Chief O'Donnell of the East Chicago police and an insurance adjuster came early and after waiting until after 9 o'clock, they gave up and went home.

At the first meeting the proposition of putting on a number of merchant police in Indiana Harbor to assist the regular force had been discussed and met with favor. That meeting was well attended because it followed closely after the robbery of the Nagdenman store. Last night was to have settled the matter and from the tenor of the former meeting it seemed certain that Chief O'Donnell's men would be reinforced within a few days.

No robberies had occurred since the first meeting so it seems interest has waned and no further action can be expected until something more. The merchants to action once more.

THEATRE CO. ORGANIZED FOR HARBOR
Indiana Harbor is to have a new theater this year if plans now under consideration by a well known party of promoters go through. The Cosmopolitan Theatre company has already been organized and an option has been secured on a site on Cedar street, near 13th street.

The officers of the company are as follows:

President: Joseph Trinz of Lubliner & Trinz, Chicago.

Treasurer: Jacob Handelsman of W. W. Kimmel Co., Chicago.

Secretary: Berengé A. Borne.

The new theater will have a capacity of 1,000 and will have the best moving pictures and vaudeville in any theater to erect a building which will be a credit to the city. The majority of the stock in the new company will be held by the present officers, but a limited quantity will be offered for sale to the public. Herman E. Kantor & Co., with offices at Guthrie and Deodar streets, will have charge of the stock sales.

SENATOR HARDING GOES OVER PLANS

MARION, O., Aug. 10.—Various phases of the campaign were to be gone over today here by Senator Warren G. Harding, National Chairman Will H. Hays, and Harry M. Daugherty, Senator Harding's pre-convention campaign manager and chief lieutenant.

Harding was on his way from New York City to Chicago to submit to the senator reports recently developed in the political situation in the east.

It was said at the Harding headquarters the coming of the national chairman possessed no unusual significance. Hays expected to swing at frequent intervals between New York and Chicago, spending a week at the republican national headquarters in each city and dropping off here and there each time on his way from one city to the other that he might confer personally with Senator Harding, it was said.

His visit here was merely one of a series which would be employed as long as Senator Harding's from porch campaign and that would be until Oct. 1st, last.

COX LEAVES ON SPEAKING TRIP

BY HARRY L. ROGERS
DAYTON, O., Aug. 11.—James M. Cox, presidential nominee of the Democratic party, left Dayton today on a speaking tour, which, according to Democratic leaders, is to impress his personality upon the voters.

Senator Pat Harrison, of Mississippi, who is in charge of the Democratic speakers' bureau, is particularly interested in having the governor meet as many persons as possible. The senator is a great believer in the power of personal persuasion, and in arranging the governor's speaking tour has borne that in mind.

The governor leaves by train this morning for Columbus, where he will spend some hours in handling state and personal correspondence at the state executive offices. This cleared up his way to Camp Perry, Ohio, where he is to deliver an address at the rifle range on August 12.

Before his departure for Columbus this morning, the governor discussed the Tennessee suffrage situation and considered suggestions that he send another representative to the scene to urge ratification. Mrs. Abby Scott Baker, political chairman of the National Women's party, who has been keeping the governor informed of the conditions in Tennessee, was rather pessimistic today over chances for ratification.

HIGH TWELVE CLUBS OUTING
On Saturday, August 14th, the High Twelve Club of Hammond will hold its first picnic at Jackson Park, Chicago. All members of the Masonic Orders, their families and friends are cordially invited to participate. The committee has arranged for one of the baseball diamonds and there will be a game between the members of Garfield and McKinley lodges. A program of games for prizes has been arranged and with the added facilities for swimming, boating, tennis and other attractions an enjoyable afternoon and evening can be anticipated by all.

WILLIS SEEMS VICTOR IN OHIO

(INTERNATIONAL NEWS SERVICE)
COLUMBUS, O., Aug. 11.—Upon the face of early returns there appeared little doubt today that ex-Gov. Frank B. Willis has been nominated for U. S. senator to succeed Warren G. Harding.

Returning from 3,500 precincts out of 6,000 gave Willis 52,155; Walter Browne, 46,522; Judge R. M. Wadsworth, 32,550. Ex-Mayor Harry L. Davis of Cleveland, has apparently won the republican nomination for governor by 20,000 over Col. Ralph D. Cole of Findlay.

Congressman Roscoe C. McCulloch of Canton is third; 2,850 precincts give Davis 56,528; Cole, 22,279; McCulloch, 39,824.

W. A. Julian, Cincinnati manufacturer, backed by the democratic organization for U. S. senator, has apparently been defeated by Police Judge A. O'Neil of Akron, who made his campaign as a friend of self-determination for Ireland. Friends of Julian refuse to concede defeat.

State Auditor Vic Donahay was unopposed for the democratic gubernatorial nomination.

Former Senator Theodore Burton handily defeated Rep. Henry I. Emerson for the republican nomination in the 22nd congressional district.

HE PAID \$11,000 FOR RETURN OF LOVE BRIEFS

(INTERNATIONAL NEWS SERVICE)
ST. LOUIS, Mo., Aug. 11.—Robert E. Nolker, vice president of the Commercial Electric Supply company, paid \$11,000 to Mrs. Mrs. M. B. Brosevelt of New York, for the return of a batch of letters and to forestall a suit against Nolker for alienation of the affections of Mrs. Brosevelt, according to the testimony of Mrs. Pearl Hyman Nolker, who is suing for divorce.

Mrs. Nolker, on the stand in the Circuit court at Clayton, told of the incident in support of her charge of improper conduct by her husband with Mrs. Brosevelt. She said Brosevelt received \$10,000 of the amount and his wife \$1,000.

Brosevelt, she said, was about to file suit for \$250,000 against Nolker, in 1916, when she, her father and husband met in the office of her husband's attorney here and discussed the affair.

MINSTREL SHOW PRACTICALLY READY
The American Legion's big show, "The Jollies of 1920," a new production, is ready for the night of its 2nd night run. The rehearsals have now rounded the east into real professional shape, and the committee in charge are more than enthusiastic about the success which is sure to result.

FRANCE RECOGNIZES GENERAL WRANGLER

PARIS, Aug. 11.—The French government has decided to recognize the administration set up in Southern Russia by Gen. Wrangel leader of the anti-Bolshevik army on the Crimean front, as de facto government of Russia. It was stated at the foreign office today. This decision, it was said, resulted from the military successes of General Wrangel's army and also from the democratic policy adopted by Gen. Wrangel.

E. Barrell left his automobile standing at the curb in front of his home, 107 Douglas street, yesterday evening, and James Jackson, 312 Claude street, who was driving west on Douglas, lost control of his car and it crashed into the Barrell machine causing considerable damage. The car was thrown to one side upon the lawn and in doing so a wheel passed over the leg of Mr. Barrell's little daughter, who was lying on the grass. Her injuries are not serious.

RAIL THE NEW BOARD OF SAFETY

Hammond's board of Metropolitan Police Commissioners is no more. Instead it is now simply the Board of Safety. The old board has been abolished, because Hammond is now a city of the second class and the new board takes its place. The members are O. A. Krimbill, president, George Vermett and George Pearson, with Charles H. See, as secretary.

Hammond became a second class city a long time ago, but for some reason the board of safety was overlooked until the other day Alderman Pat Kelly changed to look up the law. He informed one of the police commissioners that everything the old board did was illegal. This took it over and consulted Mayor Brown. Mr. Brown promptly remedied matters by appointing the commissioners members of the board of safety.

ANOTHER FIRE IN MAYWOOD

CHICAGO, Aug. 11.—The state fire marshal today began an investigation to determine what part labor troubles played in the destruction by fire of an uncompleted \$15,000 frame building early this morning at Maywood, Ill., a suburb.

Village authorities alleged there is a connection between the fire and the fact that non-union construction workers were employed after union men had left the job because of a misunderstanding with the construction company.

ROOSEVELT STARTS ON HIS TRIP

(INTERNATIONAL NEWS SERVICE)
CHICAGO, Aug. 11.—Franklin D. Roosevelt, democratic nominee for the vice-presidency, will inaugurate his western campaign here tonight. Roosevelt will speak at the Auditorium theatre. From Chicago, Roosevelt will swing into the west on his campaign. He will be followed later by Gov. Cox according to present plans.
